Copies of the Contract Documents may be examined at the City Hall Building, Administrative Assistant's Office, Second Floor, 110 South Second Street, Jeannette, Pennsylvania (15644) and online at planroom.accu-copy.com.

Copies of the Contract Documents must be purchased from Accu-Copy Reprographics, 302 Thomson Park Drive, Cranberry Township, Pennsylvania (724-935-7055), at a cost of \$65.00 per set which is non-refundable. Contract Documents can be shipped or delivered at an extra cost of \$25.00. No partial sets of Contract Documents, Specifications or Drawings will be issued.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the Contract Documents as defined by the Prevailing Wage Act furnished by the Commonwealth of Pennsylvania Department of Labor and Industry must be paid on this contract. The Wage Determination Schedule Serial Number is 25-01027.

Each bid shall be accompanied by a certified check payable to the City of Jeannette, a bid bond, or negotiable U.S. Government Bond, in an amount not less than ten percent (10%) of the total bid for this contract, in accordance with the provisions of the contract documents. Upon award, the successful contractor will be required to provide a Performance Bond and Payment Bond for the full amount of the contract. Upon completion of the project, the contractor will be required to submit a 24-month Maintenance Bond for the contract.

The anticipated beginning of construction date is May 12, 2025.

The successful bidder will be required to comply with all federal, state and local laws and regulations, which may be applicable to these contracts. These include but are not limited to laws and regulations governing fair employment practices, and those dealing with the prevention of environmental pollution and the preservation of public natural resources.

The City reserves the right to reject any and all Bids for a valid reason; and/or to waive any and all informalities not involving price, time, specified materials or changes in the work. The City also has the right to reject all nonconforming, non-responsive, contradictory or conditional bids.

In evaluating bids, the City shall consider the qualifications of the bidders, whether or not the bids comply with the prescribed requirements, and such unit prices and other data if requested in the bid forms.

Subject to approval of City Council, the contract will be awarded to the lowest responsive and responsible bidder. The responsibility of the bidder will be determined on the basis of past performance on work of similar character, equipment and labor available to do the work and financial status.

The City may during the bidding period make certain changes that may alter the plans and specifications. Bidders shall receive addenda for such revisions and any such addenda will become part of the contract document.

No bid may be withdrawn for a period of sixty (60) days after the scheduled closing time for the receipt of the bids.

A mandatory pre-bid meeting for all interested contractors will be held in the Council Chambers in the Municipal Building, 110 South Second Street, on March 31, 2025 at 10:00 AM with the City Manager, City Engineer and City Foreman.

If a contractor who did not attend the mandatory pre-bid meeting submits a bid, the contractor's bid will be rejected and will not be opened.

The City will award only one contract for all three of the storm sewer projects.

Curtis Antoniak
Mayor
City of Jeannette
